

COAL 1914 KENTUCKY

Hopkins County Held Second Place in Amount Mined.

Forty-three Lives Lost Mostly Preventable

It costs a human life for every 390,625 tons of coal mined in 1914, or 4.02 for every million tons; and 1.99 deaths occurred among each thousand men employed in the industry, according to the annual report of the State Mine Inspector, C. I. Norwood. Fifty-three fatalities occurred by 48 accidents within 41 mines is the record for the year, eleven more than in 1912 or 1913, and while the number of fatalities to the tonnage of production is less than for those years.

Prof. Norwood said the serious phase of the situation is that the numerical increase is due to accidents connected with non-observance of rules in regard to riding motors and mule cars, and the use of explosives, accidents the reduction of which must be accomplished through the personal attitude of the miners themselves.

Prof. Norwood says that in the three inspections a year required by law are to be made, he must have three more inspectors, as it is a physical impossibility for them to get around. In fact, some mines should be inspected as many as five times a year and with his present force he is compelled to exercise discretion in deciding which mines can with most safety be inspected fewer than three times annually.

The causes of death were: Fall of, or from roof.....30 Struck by car or locomotive....2 Killed by cars or motor in an unusual way.....3 Fell off cars or motor.....6 Powder explosion from blown out shot, followed by dust explosion.....1 Explosives (blasting operations and hanging powder smoke following blasting)....0 Electricity.....2 Mining Machinery.....1 Miscellaneous.....2

While 99 percent of the coal production of Kentucky in 1914 came from 25 counties and commercial operations were conducted in only 29 counties, adequate transportation facilities would make commercial production profitable in 44 counties, 14 in the Western field and 30 in the Eastern.

The total output of coal for 1914 was 20,168,150 short tons, 743,968 more than in 1913. The western field produced 7,794,807 short tons; the southeastern 6,137,824, and the northeastern, 6,235,519. Pike county leads in production as follows, going up from fourth place and exchanging with Muhlenberg, which led in 1914:

FALL RIVER TRIP TO THE MAMMOTH CAVE

The Earlington Bee has made arrangements to take a party to the Mammoth Cave on Sept. 4th. This is the last trip the Steamer Evansville will make to the Mammoth Cave this year and everything possible will be done to make the trip an enjoyable one. The party will leave over the L. & N. on Saturday, Sept. 4th, and take the steamer Evansville, at Evansville, leaving for the Cave at 5 o'clock. The cost of this trip, including railroad fare to Evansville and return, transferring baggage and dinner at Evansville, steamboat fare Evansville to Mammoth Cave and return, meals and berth on the steamer, board at Mammoth Cave hotel and Rouses (1) and (2) in the cave and cost of cave suits will be \$20.00. Anyone who is willing to put in a few days work may secure the trip on the following basis:

Forty subscribers will entitle you to one trip.

Twenty subscribers and \$10.00 will entitle you to a trip.

Ten subscribers and \$15.00 will entitle you to a trip, and so on.

In case a party secures any number of subscribers and does not wish to take the trip, they will be paid in cash as follows: 25 cents on each new subscriber, and 10 cents on each renewal.

This subscription getting contest is open to any one in Hopkins county, male or female, married or single. The contest begins with this issue of the paper and will close Saturday morning September 4th at nine o'clock. We have conducted quite a number of these Mammoth Cave trips, and each one has been a success. The scenery on upper Green river is unsurpassed, the cave is the largest and most wonderful in the world and every person in Kentucky should make this trip and visit the Mammoth Cave. If you wish to enter this contest, send in your name with one year's subscription then get busy with your friends. The Woman's World and the Semi-Weekly Bee both one year for \$1.00. This is a contest where you get pay for everything you do and there is no chance to lose. We have the names of fifteen who will make the trip regardless of the number of subscribers they secure, so there will likely be a large party on this trip.

The Earlington Bee.

\$50,000 FOR DIXIE BEE LINE ROUTE

Appropriation of \$50,000 is Made by Fiscal Court Here Last Tuesday

WILL RAISE MORE FUNDS

At the regular meeting of the Hopkins County Fiscal Court held here last Tuesday, a resolution was passed appropriating \$50,000 during the years 1916 and 1917, to be used in securing the Dixie Bee Line through this county. The resolution follows:

"Resolved, That it is the sense of this court that it would be of the greatest benefit to have the proposed Dixie Bee Line Highway established through Hopkins county, and in order to aid in every way in its power to have the said highway pass through this county, this court will, for the years 1916 and 1917, if the route of said highway is established through this county, and over inter-county road, appropriate for the building of said highway all monies from its road and bridge fund which is proposed to be spent on permanent construction with the state of Kentucky, and will also use for the building of said highway whatever monies may be allotted to this county by the state of Kentucky which said sum will amount in round numbers to \$50,000 or more."

The Hopkins County Bee Line Association, recently organized, has already started a campaign for funds, which will be added to the generous appropriation made by the court and no doubt the sum total will be greatly increased. The ways and means committee of the association was in session at Madisonville yesterday afternoon and important matters were under discussion.

A meeting of the ways and means committee of the Hopkins County Bee Line Association is called for next Thursday afternoon, Aug. 19, at 2 p. m. at Hotel Madison. The committee is composed of Jas. R. Raab, chairman; B. M. Brooks, Paul M. Moore, E. M. J. W. Grown, L. J. Morrow, C. E. Barnett, G. W. Spert, W. W. Kingston, L. E. Littlepage, Sterling Lanier, Mr. Montgomery, Daniel Boone and J. T. McAuley, of Dawson Springs. Matters of importance will come before that meeting.

The road from Earlington to Nortonville will be worked by the citizens along the route on next Wednesday, the 18th. Committee headed by C. E. Barnett and Ernest Raab, of Earlington, Ben T. Robinson and W. W. Kingston, of Morton Gap, and Sterling Lanier, of Nortonville are now at work and a monster demonstration of road working will be shown.

Is Sickness a Sin

If not, it's wicked to neglect illness and means of relief. It's wicked to endure liver ills, Headache, Indigestion, Constipation, when one dose of Po-Do-Lax gives relief. Po-Do-Lax is Podophyllin (May Apple) without the grip. It arouses the liver, increases the flow of bile, Nature's antiseptic in the bowels. Your constipation and other ills overnight because Po-Do-Lax has helped Nature to remove the cause. Get a bottle from your Druggist today. Get rid of your Constipation overnight. Sale by all Druggists.

Misses Lena Davis and Gladys Whitford and Messrs Billy Shanks and Chester Ashby were in Dawson Thursday night at the Mid-Summer Ball.

Itching piles provoke profanity but profanity won't remove them. Doan's Ointment is recommended for itching, bleeding or protruding piles. See at any drug store.

Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy

"I never hesitate to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Sol Williams, merchant, Jessa, Tenn. "I sell more of it than of any other preparation of like character. I have used it myself and found it gave more relief than anything else I have ever tried for the same purpose." Obtainable everywhere.

Take a **Reckitt's Order** Tonight. It will act as a laxative in the morning. St. Bernard Mining Co., Incorporated, Drug Store.

CITIZENS WORKING ROADS

In Hopkins County—About 400 Out Wednesday Between Earlington and Dawson

WILL WORK EVERY WEDNESDAY

An enthusiastic bunch of Hopkins citizens numbering about 400 worked on the road between Dawson and Earlington Wednesday. The stores in Dawson and St. Charles were closed and the clerks all worked. Alexander Hill was cut down and put in good shape. Good work was done all along the line. About 50 ladies prepared a good dinner for the workers that was served on the ground along the route. Quite a number from Earlington, Carbondale, St. Charles and Dawson took part in this work. Arrangements have been made to keep the work going at least one day in each week until all the road has been put in good shape.

Your Cough Can Be Stopped

IMPRESSION MADE BY GERMAN NOTE

On American People is Two-Fold—Decided Sting in Tail of Note

The impression made here by the last note to Germany is twofold. In declaring that "The Government will continue to contend for that freedom (of the seas), from whatever quarter violated, without compromise and at any cost," the President has won again unanimous approval and unlimited support. This is neutrality to make both Germany and Great Britain respect and observe all American rights.

But the public satisfaction at this assertion of the principle for which America fought in 1812, gives way to wonderment at the sting in the tail of the note—the "deliberately unfriendly" clause. This, it is pointed, is not the language of diplomacy, but of war.

It is like the crash of a gun in the midst of a friendly discussion, and the American people is at loss to interpret it, especially as our warning to England was in the usual polite language of diplomacy, without any tendency toward an ultimatum.

It cannot be thought that the President seeks war. It is possible rather that he does not foresee the consequences of making the issue the basis of an ultimatum. To him the safe conduct of American travelers at sea is a principle; to Germany it is merely a practical matter. A principle cannot be adjusted; a practical matter can.

Constipation Causes Most Ills

Accumulate waste in your thirty feet of bowels caused absorption of poisons, tends to produce fevers, indigestion, headache, dizziness, feel stuffy, irritable, almost cranky. It isn't you—it's your condition. Eliminate this poisonous waste by taking one or two Dr. King's New Life Pills tonight. Enjoy a full, free bowel movement in the morning—you feel so grateful. Get an original bottle, containing 36 pills, from your Druggist today for 25c.

Most disgusting skin eruptions, scrofula, pimples, rashes, etc., are due to impure blood. Berdock Blood Bitters as a clearing blood tonic, is well recommended. \$1.00 at all stores.

DAWSON EDITOR

Speaks Good Word for Earlington and Beulah Telephone Operators

J. R. Dance, editor of the Dawson Springs, Tribune, has experienced such exceptionally good service that he has written Manager Mitchell at Madisonville an enthusiastic letter in which, among other things, he says:

"I write you to speak a good word for two telephone operators in this county, who are certainly queens when it comes to service. I do not know the girls and never saw either one, but I certainly feel very kindly toward Miss Emma Wilson, chief operator at Earlington, and Miss Carrie Wilkey, operator at Beulah."

"A week ago I wished to get a good report from the Sunday schools in the county on the attendance on Sunday school day, April, 25. This I found was a difficult job, on account of me being a stranger in the county and not being familiar with people who have progressed enough to have telephones."

"With help of Misses Wilson and Wilkey I managed to get an almost complete report. Without their help I could not have done so. They both gave me service that is most unusual, and it would have been impossible for me to have gotten the report I did without the assistance of these two girls."

"I have been in the newspaper game for nearly twenty years, and have had much business on the telephone. I have received good service from operators who knew me, but in all of my experience as a newspaper editor and reporter I never received such service from girls to whom I was a perfect stranger as was rendered by Misses Wilson and Wilkey."

"Their service certainly deserves mentioning, and both girls must undoubtedly be a pleasure to your patrons on their routes. Such service deserves great praise and I would regard myself an ingrate did I not say a good word to you, their superintendent."

A Medicine Chest For 25c

In this chest you have an excellent remedy for Toothaches, Bruises, Sprains, Stiff neck, Backache, Neuralgia, Rheumatism and for most emergencies. One 25c. bottle of Sloan's Liniment does it all—this because these ailments are caused by congestion and inflammation. If you doubt, ask those who use Sloan's Liniment, or better still, buy a 25c. bottle and prove it. All Druggists.

What Can Account For This

Of course prohibition does not prohibit, but the Temperance Society of the Methodist Church has received reports of not less than thirty failures of breweries and distilleries within the past few months.

The production of beer has declined during the past eight months millions of barrels, and of whisky, millions of gallons. The federal revenue from this source is falling off rapidly.

The stocks and bonds of the Distillers' Securities Corporation, the American Malting Co. and similar concerns are, to say the very least, not quite as lively as a chigger at a picnic.

Despondency Due to Indigestion

"About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and despondent, I began taking Chamberlain's Tablets," writes Mrs. Geo. H. Macdon, N. Y. "This medicine proved to be the very thing I needed, as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere.

For sore throats, toothaches, pains, burns, scalds, sea-sickness, try Dr. Thomas' Electric Oil, a splendid remedy for emergencies.

MAJ. WALTER POWERS DEAD IN CALIFORNIA

Succumbs to Tuberculosis After Long Illness

Madisonville, Ky., Aug. 11.—A telegram was received here this morning announcing the death of Maj. Walter Powers at San Jose, Cal., late last night. Maj. Powers formerly resided in this city, leaving here four years ago on account of bad health. Tuberculosis was the cause of his death. Maj. Powers was well known throughout the State. For many years he was the ranking Major of the Second Battalion, Third Infantry, Kentucky National Guard, and was always an enthusiastic military man. During the Spanish-American war he served as a Lieutenant in the company that was organized here. He was also, up to the time of leaving here, captain of the Shrine patrol. Maj. Powers was the son of the late Sam Powers, of this city, and a brother of former Chief of Police Powers, of this city. He was a member of the local Elk and Shrine lodges of this place. He is survived by his wife.

The Clerk Guaranteed It.

"A customer came into my store the other day and said to one of my clerks, 'have you anything that will cure diarrhoea?' and my clerk went and got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'if this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured," writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere.

Piles Cured in 6 to 14 Days. Your druggist will refund money if PAIN OINTMENT fails to cure any case of Itching, Bleeding or protruding Piles in 14 days. The first application gives ease and rest. 50c.

Germans Not Always Beer-Drinkers

Prof. Frederick von Reithdorf says "The Germans adopted the drinking habit from foreigners. Neither the word wine (from the Latin, vinum) nor beer (from the Latin, bibere) are of German origin."

"Julius Caesar is authority for the fact that there was Prohibition in Germany 1800 years ago. In his 4th book on the Gallic War at the close of the second chapter, he says of the brave 'Schwabeuvold,' 'Vinum ad se omnia importari non sinit quod ea re ad laborem ferendum remollescere homines argue effeminarum arbitrantur.' (They do not allow the importation of wine at all because they are of the opinion that wine weakens and effeminates people, rendering them incapable of a strenuous life.)"

Invigorating to the Pale and Sickly

The Old Standard general strengthening tonic, known as TASTELI, is a tonic for the blood and the system. It is a tonic for the blood and the system. It is a tonic for the blood and the system.

One way to relieve habitual constipation is to take regularly a mild laxative. Doan's Regulator are recommended for this purpose, as a box at all drug stores.

Personal Liberty Has Its Limits

"A man may not even do with his own body what he pleases," says Mr. Charles Stolze. "Suppose he tries to kill it—to commit suicide. If he succeeds, Billy Sunday says he will go to hell. If he fails he will go to jail. And yet if the United States Government should decide to go to war with Germany or any other nation it assumes the right, if necessary, to send him to the front to be shot down. He belongs to the State as well as to himself. We have recently passed most stringent laws against the sale and use of certain kinds of drugs, because of the great injury which their use inflicts upon the human mind and body."

Many People in This Town never really enjoyed a meal until we advised them to take a **Reckitt's Dyspepsia Tablet** before and after each meal. Sold only by us—25c a box. St. Bernard Mining Co., Incorporated, Drug Store.

A Big Month's Work

The State Tuberculosis Commission in the month of July accomplished a vast amount of work in nineteen different counties in the State.

The Commission's moving picture exhibit and railroad exhibit car worked in Campbell County the entire month reaching about 7,000 persons. As a result of the interest aroused the County Commissioners of Campbell County are considering the feasibility of joining with Kenton County in the erection of a joint tuberculosis hospital. Kenton County has already voted favorably on this proposition. Favorable action is expected in the near future.

Nurses representing the Tuberculosis Commission have worked in Breckinridge, Bell, Union, Menifee and Boyle counties. By talks on tuberculosis they have reached 5,060 people. They have made 481 visits to the homes of the sick. In many additional cases the sick have gone to visit the nurses. They have ministered to 140 consumptives and 127 suspected cases of tuberculosis in addition to 192 cases of other diseases.

A Valuable Book On Tuberculosis
The State Tuberculosis Commission has prepared a booklet "the home care of tuberculosis" which gives valuable information regarding the home care of cases of consumption. Suggestions regarding outdoor sleeping, the diet of consumptives, the disinfection of infected houses and directions for the protection of the healthy members of consumptive families. This book is new, practical, simple and authoritative. Physicians will find it valuable to place in the hands of consumptive patients. A copy may be obtained free by any physician or any consumptive on request to the Kentucky Tuberculosis Commission, New Capital Building, Frankfort, Kentucky.

DANGER SIGNALS FOR GIRLS

(The American Searchlight)

- Avoid parks at night that are not well lighted
- Turn away from the gambling at street fairs
- Beware of automobile joy rides with strange young men and women
- Shun chance acquaintances at moving picture shows, skating rinks and dances
- Always refuse wine, beer or whiskey. One glass of beer will often destroy self control
- If a young man is not good enough to invite to your home, he is not good enough for you to associate with him
- If you are traveling and need advice or directions, always ask a conductor or a policeman. Beware of strange men and women who are anxious to help

COOPER ENDORSE Y. M. C. A. WORK

Well-Known Man Becomes More Thoroughly Identified with Kentucky.

Lexington, August 13. E. T. Cooper, the philanthropist who electrified Lexington by his efforts at his own personal expense to build a "Bread Line" for the indigent, and who is conducting an agricultural exposition to encourage farmers, whom he considers the backbone of the land, to improve their methods of farming, has been identified with the Y. M. C. A. in Kentucky in general, and in Lexington in particular, as a member of the Young Men's Christian Association.

Mr. Cooper was invited upon by the Y. M. C. A. to deliver a series of lectures on the subject of "The Y. M. C. A. and the Future of the World." He accepted the invitation to become a member of the Y. M. C. A. and to deliver a series of lectures on the subject of "The Y. M. C. A. and the Future of the World."

The demand for Talc, the remarkable medicine that is now being introduced by Mr. Cooper, is now the biggest thing of the kind ever known in this section. The preparation is accomplishing a powerful effect of good among the thousands who suffer from catarrh, stomach, liver and kidney complaints as well as rheumatism.

Hundreds of those who have actually used Talc talk enthusiastically about the astonishing results they obtained from the medicine.

For example, living at 412 Clinton street, Lexington, said:

"While I haven't used an entire bottle of Talc so far, yet I consider it the most wonderful medicine I have ever seen. I suffered for years with stomach and kidney trouble, and also had headaches, indigestion, and attacks of rheumatism.

My troubles have all disappeared and I can trace my remarkable improvement to no other cause than Talc. It is true."

Talc can be had in Lexington at St. Charles at King & Son's drug store; in Morton's Gap at Ben E. Robinson's drug store and in Nortonville at the City drug store.

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

LAME EVERY MORNING

A Bad Back is Generally Worse in the Morning—Earlinton People are Finding Relief

A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

You can't get rid of kidney back-ache, until you reach the cause—the kidneys.

Doan's Kidney Pills are especially prepared for weakened or disordered kidneys—been gratefully recommended by thousands.

The following statement proves the merits of Doan's.

T. J. Pool, Nortonville, Ky., says: "I had kidney trouble for about ten years. My back ached at night and I was lame in the morning. I tried easily, was nervous and had headaches and dizzy spells. My sight was also affected. The kidney secretions passed too frequently and contained sediment. Colds always settled on my kidneys. A few doses of Doan's Kidney Pills relieved me. They gave me more benefit than any other medicine I ever tried."

Prices 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pool had. Foster-Milburn Co., Props., Buffalo, N. Y.

(The Quinine That Does Not Affect The Stomach) Because of its tonic and laxative effect, LAXATIVE BROMO QUININE is better than ordinary Quinine and does not cause nervousness, ringing in head. Remember the full name and look for the signature of W. W. GROVE, 25c.

Paxtine

A Soluble Antiseptic Powder to be dissolved in water as needed For Douches

In the local treatment of woman's ills, such as leucorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses superior cleansing, disinfecting and healing properties.

For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At druggists. 50c. large box of 100. Sample free. The Paxton Toilet Co., Boston, Mass.
